**CITY OF EL PASO’S CORRECTIONS TO PROPOSED ORDER**

TO THE HONORABLE PUBLIC UTILITY COMMISSION OF TEXAS:

The City of El Paso (“City”) proposes the following corrections to the Proposed Order filed on November 17, 2022

I. The proposed corrections are timely filed.

On November 17, 2022, the Office of Policy and Docket Management by memorandum filed at Proposed Order in the above styled and numbered Docket. The Memorandum advised the parties that any proposed corrections to the Proposed Order be filed by December 1, 2022. These proposed corrections are timely filed.

II. The proposed order of November 17, 2022 omits the granting of the City of El Paso’s Intervention.

Although the City of El Paso timely filed its intervention on May 25, 2022<sup>1</sup>, and participated as a party and was treated as party for all purposes throughout the proceeding, its intervention was not formally granted until SOAH Order No. 7<sup>2</sup> on October 21, 2022. The proposed order of November 17, 2022 omits that action. Accordingly, the City of El Paso proposes

a) That an additional Finding of Fact be inserted after Finding of Fact No. 16 which reads:

“In SOAH Order No. 7, filed on October 21, 2022, the SOAH ALJ granted the Motion to Intervene filed by the City of El Paso (“City”).”

b) That Finding of Fact No. 92 be revised to reflect the City of El Paso as a Party:

“El Paso Electric, Commission Staff, the City of El Paso, and TIEC are the only parties to this proceeding.”

Wherefore, premises considered, the City of El Paso prays that the Proposed Order be amended to reflect the corrections above, and for such other and further relief to which it may be entitled.

Respectfully submitted,
