PETITIONER RESPONSE TO CCN HOLDER'S RESPONSE

TO THE HONORABLE PUBLIC UTILITY COMMISSION OF TEXAS:

COMES NOW, Benchmark Acquisitions, LLC ("Petitioner"), and files with the Public Utility Commission ("Commission") this Response to the CCN holder's response to the administratively complete Petition. Petitioner would respectfully show the following:

On August 30, 2022, MSEC filed an affidavit stating that it "does not object to the release of the approximately 4.791 acres of land owned by Benchmark Acquisitions, LLC. from MSEC's water CCN No. 12887." As MSEC does not object and has not requested compensation, Petitioner requests that the Petition be granted, and the compensation phase not be implemented in this proceeding.

To the extent that compensation is required, Benchmark will work with MSEC in an attempt to arrive at a settlement.

Respectfully submitted,

/s/ David Tuckfield
