Dear Commission Staff:

Along with this letter please see the revised maps and digital data which includes, the detailed map, general map, and shapefiles for the overall property and tract of land to be decertified. These items have been updated under the guidance of Commission Staff to cure the deficiencies identified in the June 3, 2022 memorandum. We hope that the Commission Staff finds them to be suitable. If there are any questions, please contact me at trevor.lawrence@burgessniple.com or call me at 512-432-1000.

Very truly yours,
