APPLICATION OF ONCOR ELECTRIC DELIVERY COMPANY LLC FOR AUTHORITY TO CHANGE RATES	§ § §	BEFORE THE PUBLIC UTILITY COMMISSION OF TEXAS
---	----------------------	--

**RESPONSE OF ONCOR ELECTRIC DELIVERY COMPANY LLC
TO OFFICE OF PUBLIC UTILITY COUNSEL'S
FIFTH REQUEST FOR INFORMATION**

TO THE HONORABLE PUBLIC UTILITY COMMISSION OF TEXAS:

Oncor Electric Delivery Company LLC ("Oncor") files this Response to the
aforementioned requests for information.

**I.
Written Responses**

Attached hereto and incorporated herein by reference are Oncor's written
responses to the aforementioned requests for information. Each such response is set
forth on or attached to a separate page upon which the request has been restated. Such
responses are also made without waiver of Oncor's right to contest the admissibility of
any such matters upon hearing. Oncor hereby stipulates that its responses may be
treated by all parties exactly as if they were filed under oath.

**II.
Inspections**

In those instances where materials are to be made available for inspection by
request or in lieu of a written response, the attached response will so state. For those
materials that a response indicates are voluminous, materials will be provided in
electronic format through an Oncor FTP file sharing site upon request. Requests for
voluminous materials should be directed to Regulatory@oncor.com. To review materials
that a response indicates may be inspected at their usual repository, please call Joni Price
at 214-486-2844. Inspections will be scheduled so as to accommodate all such requests

with as little inconvenience to the requesting party and to company operations as possible.

Respectfully submitted,

ONCOR ELECTRIC DELIVERY COMPANY LLC

CERTIFICATE OF SERVICE

It is hereby certified that a copy of the foregoing has been served by email on all parties of record who have provided an email address, on this the 8th day of September, 2022, in accordance with the Commission's Second Order Suspending Rules issued on July 16, 2020, in Project No. 50664.

/s/ Tab R. Urbantke

Request

Please provide fully functioning versions of Oncor's schedules and supporting workpapers in electronic format with all formulas intact and fully functioning links that produce Oncor's filed Schedule I-A-1 Total Cost of Service by Function.

Response

The following response was prepared by or under the direct supervision of W. Alan Ledbetter, the sponsoring witness for this response.

The following information is provided in accordance with the agreement of the requesting party in lieu of the requested information. The information, as agreed to be provided, was originally received by OPUC on a flash drive from Oncor, and it was later discovered that some of those files on that flash drive were corrupted or otherwise inaccessible. A second flash drive was received by OPUC on August 24, 2022. Additionally, the native files are available on the Commission's Interchange, under Docket No. 53601, filed May 13, 2022.

Request

Please provide fully functioning versions of Oncor's schedules and supporting workpapers in electronic format with all formulas intact and fully functioning that produce Oncor's filed Schedule II-I-1 Class Revenue Requirement Analysis.

Response

The following response was prepared by or under the direct supervision of Matthew A. Troxle, the sponsoring witness for this response.

The following information is provided in accordance with the agreement of the requesting party in lieu of the requested information. The information, as agreed to be provided, was received by OPUC on a flash drive from Oncor, and it was later discovered that some of those files on that flash drive were corrupted and inaccessible. A second flash drive was received by OPUC on August 24, 2022. Additionally, the native files are available on the Commission's Interchange, under Docket No. 53601, filed May 13, 2022.

Request

Please refer to the Direct Testimony of Collin M. Martin at 32:3-16. Please provide all hourly load data for Oncor's transmission-level customers for the hours of 12:00 AM CST, February 15, 2021, through 10:00 AM CST, February 19, 2021 that identifies the magnitude of demand response from transmission-level customers on a percentage basis and a MW basis.

Response

The following response was prepared by or under the direct supervision of Collin M. Martin, the sponsoring witness for this response.

Attachment 1 to this response shows the magnitude of demand response from transmission-level customers from 12:00 AM CST, February 15, 2021 through 10:00 AM CST, February 19, 2021 by hour. The average transmission-level customer demand between February 5, 2021 and February 10, 2021 was used as the percentage base.

ATTACHMENT:

ATTACHMENT 1 - Oncor's transmission-level customers demand response from 12:00 AM CST, February 15, 2021 through 10:00 AM CST, February 19, 2021, 3 pages.

The following files are not convertible:

5-03_ATT 1.xlsx

Please see the ZIP file for this Filing on the PUC Interchange in order to access these files.

Contact centralrecords@puc.texas.gov if you have any questions.

Request

Please refer to the Direct Testimony of Collin M. Martin at 32:3-16. During the hours of 12:00 AM CST, February 15, 2021, through 10:00 AM CST, February 19, 2021, what restrictions were placed on transmission-level customers by ERCOT or Oncor that controlled the individual facilities that were permitted to operate or the hours of their operations.

Response

The following response was prepared by or under the direct supervision of Collin M. Martin, the sponsoring witness for this response.

There were no restrictions placed on transmission-level customers by Oncor that controlled the individual facilities that were permitted to operate or the hours of their operations. Oncor is not aware of any restrictions that were placed on transmission-level customers by ERCOT that controlled the individual facilities that were permitted to operate or the hours of their operations. ERCOT issued an appeal to the public to voluntarily conserve energy on February 14, 2021, and Oncor extended this energy conservation appeal to all of its customers on February 15, 2021 to voluntarily reduce loads to the extent possible.
