UT SYSTEM’S PROPOSED LIST OF ISSUES

Pursuant to the Commission’s May 16, 2022, Preliminary Order, the University of Texas System (“UT System”), an interested and affected party that anticipates participating as an intervenor in this matter, herewith respectfully submits its list of issues for inclusion in the preliminary order.

I. UT SYSTEM’S PROPOSED LIST OF ISSUES

The UT System submits the following issues:

1. Has Oncor properly and correctly applied its current rate elements, including its delivery charges, riders, cost recovery factors, ratchets, and other rate elements in accordance with the rates and tariffs approved by the Commission?
2. Has Oncor correctly quantified its revenue at present rates in its rate filing, its revenue adjustments, its cost allocation, and its rate design?

The UT System’s issues relate to Oncor’s declaration and quantification of present revenues in its rate filing, including, but not limited to, its assertions in Exhibit 1 to its Petition on Bates 15 of its Application, as well as Oncor’s declarations regarding and adjustments to revenues in its revenue adjustment testimony, its Decision Point List in Exhibit JAG-1, its list of issues, and its rate schedules in its rate filing.

II. CONCLUSION & PRAYER

WHEREFORE, the UT System requests that these issues be included in any preliminary order issued by the Public Utility Commission of Texas in this case.

Respectfully submitted,

/s/ James Z. Brazell
