APPLICATION OF CLEARWATER	§	PUBLIC UTILITY COMMISSION
INVESTMENTS LLC AND KNOB HILL	§	
WATER SYSTEM FOR SALE,	§	OF TEXAS
TRANSFER, OR MERGER OF	§	
FACILITIES AND CERTIFICATE	§	
RIGHTS IN DENTON COUNTY	§	

**ORDER NO. 6
REQUIRING COMMISSION STAFF COMMENTS**

This Order requires Commission Staff to provide additional comments and recommendations regarding the application Clearwater Investments LLC and Knob Hill Water System for sale, transfer, or merger of facilities and certificate rights in Denton County.

Knob Hill's December 2, 2022 response to Order No. 4, which required clarification of the transferee and transferor names, appears incomplete and raises new questions. The awkward affidavit that was provided indicates that Knob Hill Water System is a dba for Joseph and Karen Desmit and that the correct name of the transferor is Clearwater Operating Services, LLC. The transferee and transferor sections of the attached amended application are incomplete.

An order allowing the transaction to proceed or requiring a hearing is due this Friday, December 9, 2022. Therefore, no later than Thursday, December 8, 2022, Commission Staff must file additional comments on this application, address restyling the docket and confirming that the information provided by Knob Hill is correct and complete, and that the transferee and transferor portions of the amended application are sufficiently complete. Commission Staff must also confirm that its review and recommendations were for the correct transferor and make further recommendation as to whether it still recommends that the transaction is in the public interest and should be allowed to proceed; or request a hearing.

Signed at Austin, Texas the 6th day of December 2022.
