CLEARWATER OPERATING SERVICES REQUEST FOR EXTENSION

Clearwater Operating Services LLC (Clearwater) submits this request for an extension of the deadline for the Parties, collectively “Clearwater” and the “Staff” of the Public Utility Commission of Texas “Commission” to file its joint motion to admit evidence and proposed order approving the sale and allowing the transaction to proceed.

Pursuant to Order No. 12, filed on May 31, 2023, the Order was requesting the Proposed Order approving the sale to also be filed on July 17th and that the applicant needs to confer with Staff and needs the deadline extended until July 17th.” Clearwater has been working diligently to prepare this motion and needs additional time and input from Staff on specific parts of the application before proceeding with its filing. Further, we have requested Staff Attorney Mr. Smith for assistance in drafting the joint motion on behalf of Clearwater and Knob Hill.

As such, Clearwater requests a two-week extension to finalize the requested information. Clearwater has reached out to Staff Attorney Mr. Smith and notes that Staff is unopposed to this extension request.

Thank you,

Phillip Givens
