**ORDER NO. 14**  
**FINDING NOTICE DEFICIENT, ESTABLISHING OPPORTUNITY TO CURE, AND**  
**ESTABLISHING PROCEDURAL SCHEDULE**

This Order addresses the sufficiency of notice for the May 26, 2022 application of Clearwater Investments, LLC and Knob Hill Water System for approval of the sale, transfer, or merger of facilities and certificate rights in Denton County.

On July 17, 2023, Commission Staff filed a supplemental recommendation on the sufficiency of notice, specifically with regards to owners of tracts of land that are at least 25 acres that are wholly or partially included in the area proposed to be certified. Commission Staff recommended that this notice be deemed sufficient. On July 28, 2023, Commission Staff filed a supplemental recommendation on the sufficiency of notice and recommended that the notice provided by Clearwater on February 26, 2023 was deficient because the incorrect map was included with that notice. Commission Staff recommended that Clearwater be required to reissue notice and proposed a procedural schedule for continued processing of this application.

The administrative law judge finds notice of this application to be deficient and requires the applicants to re-issue notice that was originally issued on February 26, 2023, with correct maps. The following procedural schedule applies:

<b>Event</b>	<b>Date</b>
Deadline for Clearwater to file proof of revised notice	August 21, 2023
Deadline for Commission Staff to file a supplemental recommendation on sufficiency of the re-issued notice and proposed procedural schedule for the continued processing of this petition	September 6, 2023

Signed at Austin, Texas the 31st day of July 2023.
