APPLICATION OF CLEARWATER	§	PUBLIC UTILITY COMMISSION
OPERATING SERVICES LLC AND	§	
KNOB HILL WATER SYSTEM FOR	§	OF TEXAS
SALE, TRANSFER, OR MERGER OF	§	
FACILITIES AND CERTIFICATE	§	
RIGHTS IN DENTON COUNTY	§	

**CORRECTED ORDER NO. 21
ESTABLISHING A DEADLINE**

On January 26, 2024, the parties filed an agreed motion to admit evidence and proposed notice of approval in this application by Clearwater Operating Services, LLC seeking approval to acquire facilities and to transfer and to obtain all of the water service area and certificate of convenience and necessity from Knob Hill Water System. However, while reviewing these documents, the administrative law judge noticed that on February 23, 2024, Clearwater's existence as a limited liability company was forfeited its existence with the Texas comptroller of public accounts.

Clearwater must maintain its legal status and operational status by timely filing all reports and timely paying all fees required by government agencies. This sale cannot proceed without proof that Clearwater is in existence with the Texas secretary of state and in good standing with the Texas comptroller of public accounts.

By March 22, 2024, Clearwater must provide proof that it is in good standing with the Texas comptroller of public accounts and in existence with the Texas secretary of state.

Signed at Austin, Texas the 5th day of March 2024.
