DOCKET 53686/53687

Blue Heron is listed twice on the tariff in error. When the CCN amendment was done we noticed the error and ask the Staff attorney to remove pg. 5 as we have never had those rates before. Blue Heron is not an active water system as of yet, I have attached the emails where we asked for pg. 5 to be removed.

Hi Forrest,

Please correct the tariff to include the Blue Heron Estates Subdivision in the tariff on Page 2 that has multiple meter sizes and a conservation rate for gallonage. It should not be a separate page in the tariff.

Please let me know if you have any questions.

Regards,
Shelley
