**ORDER NO. 2  
GRANTING EXTENSION**

This Order addresses Commission Staff's July 7, 2022 request for extension of time to file comments on the administrative completeness of the application and notice and, if deemed administratively complete, a recommendation on final disposition, including, if necessary, a proposed tariff sheet reflecting the requested rate change. Commission Staff states that additional time is needed to review supplemental information filed by SP Utility Company, Inc. on July 1, 2022.

The administrative law judge (ALJ) grants Commission Staff's request for extension.

By July 14, 2022, Commission Staff must file comments on the administrative completeness of the application and notice. Further, if Commission Staff recommends that the application be deemed administratively complete, Commission Staff must also file a recommendation on final disposition, including, if necessary, a proposed tariff sheet reflecting the requested rate change. Finally, Commission Staff must file a response to the ALJ's notice of intent to consolidate this proceeding with Docket No. 53687<sup>1</sup> as required by Order No. 1.
