ORDER NO. 8
GRANTING REQUEST FOR EXTENSION AND MODIFYING PROCEDURAL
SCHEDULE

This Order addresses Commission Staff's January 26, 2023 request for extension. Commission Staff requires additional time to formulate a response to Order No. 7.

The administrative law judge (ALJ) grants the request in part. The ALJ lacks the authority to modify statutory deadlines, including the 120-day deadline in Texas Water Code § 13.301. Accordingly, the ALJ modifies the procedural schedule as follows:

| Event | Date |
|--|--------------------------------|
| Deadline for Commission Staff to file a recommendation on capital improvements and CSWR-Texas Utility Operating Company, LLC's capital improvements plan | February 10, 2023 |
| Deadline for the parties to file a request for hearing; deadline for the parties to file a joint motion to admit evidence and proposed order approving sale and allowing transaction to proceed | February 20, 2023 |
| 120-day deadline for the Commission to approve the sale or notify the parties to the transaction and the Office of Public Utility Counsel whether the Commission will hold a public hearing to determine if the transaction will serve the public interest | February 27, 2023 ¹ |

¹ The 120-day deadline falls on Saturday, February 25, 2023. Under 16 Texas Administrative Code § 22.4(a), the deadline moves to Monday, February 27, 2023, the next day the Commission is open for business.

Signed at Austin, Texas the 27th day of January 2023.
