**SOAH ORDER NO. 19**  
**REQUIRING FILING**

On March 13, 2023, Entergy Texas, Inc. (ETI) filed a status report, stating that the parties continue to collaborate in developing a final settlement agreement and accompanying documentation in this proceeding. ETI asserts that it will file a status report by April 13, 2023, if the final settlement documents have not been filed by that time.

The Administrative Law Judge's Proposal For Decision will address the parties' settlement agreement and the remaining contested issues.

It is **ORDERED** that the parties shall confer and ETI shall indicate within the parties' finalized settlement agreement or in the next status report, whichever is applicable, whether an additional suspension of the effective date is warranted and whether the proceeding should be abated pending the filing of the parties' settlement agreement.

**Signed March 21, 2023**
