**Re: PUC Docket No. 53719; SOAH Docket No. 473-22-04394—Application of Entergy Texas, Inc. for Authority to Change Rates**

Dear Judge Robles:

On May 10, 2023, Entergy Texas Inc. (“ETI”) agreed to extend the jurisdictional deadline in the case established by Public Utility Regulatory Act (“PURA”) § 36.154(a) to June 29, 2023.<sup>1</sup> ETI is mindful of this approaching jurisdictional deadline and the timing of the next Open Meeting on June 29, 2023. In order for ETI to best assess the need for and length of any additional extension of the jurisdictional deadline, ETI respectfully requests any available guidance on the expected issuance date of the Proposal for Decision regarding Preliminary Issue Nos. 68 and 69.

Sincerely,

A handwritten signature in black ink, appearing to read 'G. Hoyt', written over a horizontal line.

George Hoyt
