**RE: SOAH Docket Number 473-22-04394; PUC Docket No. 53719;
*Application of Entergy Texas, Inc. for Authority to Change Rates***

Dear Parties:

On June 7, 2023, Entergy Texas, Inc. (ETI) filed a letter requesting an update from the State Office of Administrative Hearings (SOAH) Administrative Law Judge (ALJ) regarding the expected issuance of the Proposal for Decision (PFD) on the remaining contested issues in this proceeding in order to assess the need for and length of any additional extension to the existing June 29, 2023 deadline.¹

The ALJ will file the PFD by **June 19, 2023**, and encourages ETI to account for at least three weeks after that date for the parties' exceptions to the PFD and replies to exceptions, which would be July 10, 2023. To aid ETI in calculating an additional extension of the above-referenced deadline, the following are the dates for the Commission's upcoming open meetings that may be appropriate for the Commission to consider the PFD at issue: July 20, 2023; August 3, 2023; and August 24, 2023.

Presiding Administrative Law Judge
