AMENDED RESPONSE TO ORDER NO. 6 REQUIRING CLARIFICATION AND SECOND SUPPLEMENTAL MOTION TO ADMIT EVIDENCE

COMES NOW CSWR-Texas Utility Operating Company, LLC (“CSWR Texas”) and files this Amended Response to Order No. 6. Order No. 6 set a deadline of December 19, 2022 to provide the requested information. Therefore, this amended response is timely filed.

In the Response to Order No. 6 filed on December 6, 2022, CSWR Texas indicated that Patterson Water Supply, LLC (“Patterson”) is not seeking to cancel its sewer certificate of convenience and necessity (“CCN”). After further discussions with representatives from Patterson, CSWR Texas is authorized to state that Patterson has decided that it is seeking to cancel its sewer CCN because it will no longer own sewer facilities once this transaction is completed. To the extent necessary for further adjudication of this proceeding and issuance of an order allowing this transaction to proceed, and to ensure the Response to Order No. 6 is appropriately considered with this amended response, CSWR Texas requests that this responsive pleading be admitted into evidence.

CSWR Texas respectfully requests that the Administrative Law Judge (1) grant its second supplemental motion to admit evidence, to the extent necessary; (2) issue an order finding that this sale be allowed to proceed; and (3) grant the Company such other relief to which it has shown itself to be justly entitled.

Respectfully submitted,
