**ORDER NO. 21  
GRANTING EXTENSION REQUEST**

This Order addresses CSWR-Texas Utility Operating Company, LLC and Commission Staff's joint supplemental motion to admit evidence regarding capital improvement plan and request for extension filed on January 12, 2024. The parties moved to admit the capital improvement plan filed on November 7, 2023, and Commission Staff's recommendation on the capital improvement plan filed on November 20, 2023 as evidence into the record of this case. However, the parties also stated that a corrected tariff would need to be filed and requested until January 26, 2024 to file the updated and corrected tariffs.

The administrative law judge grants the request for extension. By January 26, 2024, the parties must file updated corrected tariffs in this docket. The parties must also move to admit the corrected tariffs into evidence. An order addressing the parties' January 12, 2024 motion to admit evidence and the motion to admit evidence required in this Order will follow.
