**ORDER NO. 27  
REQUIRING COMMISSION STAFF RESPONSE AND  
CORRECTED MAP AND  
SOLICITING SUPPLEMENTARY MOTION TO ADMIT EVIDENCE**

This Order requires Commission Staff to provide certain confirmation and possible correction, and a corrected map for CSWR-Texas Operating Company, LLC. The parties indicated in their response to Order No. 24 that the final updated certificates, maps and tariffs for Patterson Water supply, LLC and CSWR-Texas were filed on June 2, 2023 and admitted into evidence in Order No. 16 filed on July 31, 2023.

There is no amended water certificate of convenience and necessity (CCN) map for Patterson Water in the June 2, 2023 filing. Unless, the CSWR-Texas maps that indicate the docket and utility where the water or sewer systems were acquired serve that purpose. Commission Staff shall confirm that no amended map for Patterson Water's water CCN number 13248 is necessary or provide one.

In addition, the ALJ requires Commission Staff to provide a corrected map for CSWR-Texas's sewer CCN number 21120, the map attached to the June 2, 2023 filing says water not sewer.

On or before April 28, 2024, Commission Staff shall provide the required confirmation and correction and corrected map and request the admission of evidence into the record, if appropriate.

**Signed at Austin, Texas the 22nd day of March 2024.**
