I am personally familiar with the preparation and delivery of notice in this proceeding for Sharyland. I am competent to execute this affidavit and I state that the following facts are true and correct to the best of my knowledge and belief.

On February 7, 2023, Sharyland sent a notice of the Final Order in Public Utility Commission (Commission) Docket No. 53727 to the owners of land who are directly affected by the Sharyland portion of the route approved in the docket.

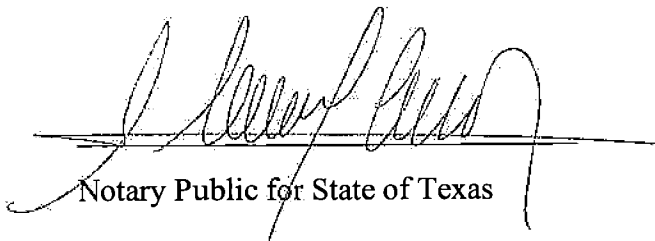

The notice was sent by mail to 17 landowners who previously received direct notice that their land might be affected if one of the Applicants' routes is approved by the Commission.

The notice included a Spanish translation, a map showing the route approved by the Commission, and a copy of the Commission Final Order. The notice also included the Landowner's Bill of Rights brochure prepared by the Attorney General of Texas.
