I am requesting to intervene in this proceeding. As an INTERVENOR, I understand the following:

- I am a party to the case.
- I am required to respond to all discovery requests from other parties in the case.
- If I file testimony, I may be cross-examined in the hearing.
- If I file any documents in the case, I will have to provide a copy of that document to every other party in the case, and
- I acknowledge that I am bound by the Procedural Rules of the Public Utility Commission of Texas (PUC) and the State Office of Administrative Hearings (SOAH)

Please check one of the following:

- Town property with a habitable structure located near one or more of the utility's proposed lines for transmission line N-1 (Texas HWY 345/North Sam Houston)
- One or more of the utility's proposed routes would cross my property
- Other. Please describe and provide comments. You may attach a separate page, if necessary.

This notice is to inform our desire to intervene in project La Palma taking higher DOUBLE-circuit 345(kV) transmission lines proposal. Our property with habitable structures that would be DIRECTLY AFFECTED by the alternative routing options.
