**ROLANDO GONZALEZ, RAUL A. GONZALEZ AND GOBAR BROTHERS, LLC'S
FIRST REQUEST FOR INFORMATION TO JOINT APPLICANTS**

Pursuant to Sections 22.141 and 22.144 of the Commission’s Procedural Rules, Intervenors Rolando Gonzalez, Raul A. Gonzalez, and GOBAR Brothers, LLC (“GOBAR Brothers”) request that AEP Texas Inc. and Sharyland Utilities, L.L.C. (“Joint Applicants”) provide responses to the following Requests for Information (RFI) and stipulate in writing that all responses can be treated exactly as though they were filed under oath. The response is requested within ten (10) days as specified in the Revised Proposed Procedural Schedule and Discovery Plan agreed to at the Prehearing Conference on July 29, 2022.

Pursuant to P.U.C. PROC. R. § 22.144(c), each response must identify the preparer or person under whose direct supervision the response was prepared, and the sponsoring witnesses, if any. In addition, each request must be answered separately and be preceded with the appropriate question.

Pursuant to P.U.C. PROC. R. § 22.144(i), Joint Applicants are under a duty to supplement any response that, in light of newly discovered information, modifies or makes incomplete an answer already supplied to GOBAR Brothers within five (5) days of the discovery of the new information.

The answers must have sufficient detail to fully present all the relevant facts. GOBAR Brothers request that Joint Applicants provide the answers in the order in which they are listed in this request for information. If responses to all the requests cannot be provided quickly, GOBAR Brothers request that each item of information be provided as it is available or completed.

Unless written requests for clarification are received by the undersigned, it shall be presumed that all requests are fully and completely understood.

If the items requested to be produced herein have already been provided in other discovery answers to any party, it shall not be necessary to duplicate such production. It shall be sufficient that the answer containing the requested information is clearly identified. Where only a portion of the requested information has been previously provided, this shall be disclosed and all information necessary to fully and completely answer this discovery request shall be provided in your answer.

If the requested document is found in the public records of the PUC or other governmental agency, the answering party shall describe the exact location, file name, and custodian from whom the specific referenced document can be obtained.

Respectfully submitted,

12. The term “including” means “including, but not limited to.”

INSTRUCTIONS

1. As to any request for information to which you are unable to respond to in whole or in part for any reason, please state the grounds for your inability to respond. When you believe that a complete answer to a particular request for information or part thereof is not possible, please answer each request for information to the extent possible and furnish a statement explaining: (a) the reason for your inability to respond further; and (b) whatever information or knowledge you have concerning the non-responsive portion.
2. For each document or other requested information that you assert is privileged, please comply with the requirements of Rule 193.3 of the Texas Rules of Civil Procedure and P.U.C. PROC. R. 22.144.
3. For every document that no longer exists or cannot be located: identify the document; state how and when the document passed out of existence, or when it could no longer be located; and state the reason(s) for the disappearance; identify each person having knowledge about the disposition or loss of the document; and identify each document evidencing the existence or nonexistence of each document that cannot be located.
4. It is requested that all documents that might impact the subject matter of the Application be preserved and that any ongoing process of document destruction involving such documents cease.
5. Furnish all requested documents available to you and known by you, or in your possession, custody, or control or that of your agents and attorneys.
6. In those instances where you choose to answer a request for information by referring to a specific document or record, it is requested that the specification be in sufficient detail to permit the requestor to locate and identify the record(s) and/or document(s) from which the answer is to be ascertained, as readily as can you.
7. In those instances when requested information or documents are stored only on software, computer based information, or other data compilations, you should either produce the raw data along with all codes and programs for translating it into usable form, or produce the information or documents in a finished usable form that includes all necessary glossaries, keys and indices for interpretation of the material.
8. Please respond to each request for information and indicate clearly the request for information to which each response is responsive. When requests for information contain subparts, indicate in your answer the subpart to which each particular part of your response is in response.

9. You are under a duty to supplement your responses to these requests for information that are incomplete or incorrect when made. Furthermore, you are under a duty to timely supplement and/or amend your responses if you receive, obtain, or generate information within the scope of any request for information between the time of the original responses and the conclusion of this proceeding.

10. Unless otherwise indicated, the discovery requested in these requests for information related to the time period from January 2010 through and including the present. All requested document, data compilations, and recordings whenever actually prepared or generated that related to this time period are to be produced.
