OR MERGER OF FACILITIES AND	§

COUNTY	§	

ORDER NO.4
FINDING APPLICATION INCOMPLETE AND DEFICIENT
AND ESTABLISHING AN OPPORTUNITY TO CURE

This Order addresses Commission Staff's recommendations regarding the the July 1, 2022 application of Crystal Systems Texas, LLC and Undine Texas, LLC for the sale, transfer, or merger of facilities and certificate rights in Smith County.

On August 16, 2022, Commission Staff filed a recommendation on administrative completeness.

The administrative law judge (ALJ) continues to find the application administratively incomplete and deficient. Under 16 Texas Administrative Code § 24.8(d), the Commission does not consider an application filed until it makes a determination that the application is administratively complete. Thus, at this time the application is not considered filed with the Commission.

On or before September 16, 2022, the applicants must supplement the application to cure the deficiencies as described in the August 16, 2022 memorandums of Jolie Mathis and Ethan Blanchard. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicants must not issue notice until the application is deemed administratively complete.

On or before October 18, 2022, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the 17th day of August 2022.
