**ESTABLISHING PROCEDURAL SCHEDULE**

This Order addresses Commission Staff’s February 22, 2024 recommendation regarding the closing documentation filed by Crystal Systems Texas, Inc. and Undine Texas, LLC and the proposed procedural schedule for continued processing. On February 7, 2024, the applicants filed closing documents and relied upon a notarized affidavit provided with the application to demonstrate that there were no customer deposits held by Crystal Systems to be transferred on the date of closing, and thus all customer deposits have been adequately addressed. Commission Staff recommended the closing documentation be found sufficient.

The following procedural schedule applies for continued processing of this docket:
