APPLICANTS' REQUEST FOR EXTENSION

Undine Texas, LLC ("Undine") and Nitsch and Son Utility Company ("Nitsch"),
Applicants herein, file this Response to Order No. 7.

On January 31, 2023, the Administrative Law Judge issued Order No. 7 requiring that Applicants supplement the application by February 10, 2023 to cure the deficiencies as described in the in the November 21, 2022 memorandum attached to Commission Staff's November 21, 2022 recommendation. In addition, Commission Staff is required to file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, by February 24, 2023.

The deficiency identified in the November 21, 2022 memorandum requires that the applicant provide a letter of consent from the City of Houston to allow Undine to provide service inside the city limits. Undine has been pursuing the consent with City of Houston staff since Undine's receipt of the notice of deficiency. While Undine has made progress in obtaining the consent, its efforts continue. It is Undine's hope that it will be able to finally secure the consent and file it in the docket within the next thirty days.

Undine hereby requests extensions to March 10, 2023 to provide a letter of consent from the City of Houston, and to March 24, 2023 for Staff to file a supplemental recommendation on the administrative completeness of the application. Undine is not requesting these extensions for purposes of delay.
