Re: Docket # 53828, Undine Texas Environmental, LLC to Transfer and Amend Nitsch & Son Utility

I am filing revised mapping information on behalf of Undine Texas Environmental, LLC, CCN No. 20816. PDF maps were revised to correct applicant name and CCN number and a few other changes to the heading and legend text, as advised by PUC mapping staff. I am also refiling the transfer and amend area shapefiles as well, although there have been no changes to the digital data.

Please feel free to contact me if you have questions.

Sincerely,

Suzanne Burt, President
