RE: Project No. 53871 - *Application of Zier Solar, LLC to Amend its Power Generation Company Registration*

RECOMMENDATION

On July 25, 2022 of Zier Solar, LLC (Zier Solar or the Company) filed an application for an amendment to its power generation company registration (Application) pursuant to 16 Texas Administrative Code (TAC) § 25.109. Zier Solar stated that an amendment is necessary to update facility/output capacity change from 160 MW to 162.99 MW and adding a storage facility 40.41 MW. The Company's registration number is 20613.

After a review of Zier Solar's application, I have concluded that the applicant has satisfactorily completed the post-registration requirements under 16 TAC § 25.109(h) by notifying the Commission of any material change in the information provided on the registration form within 45 days of the change. Therefore, I recommend that Zier Solar, LLC's application for an amendment to its power generation company registration be granted. The Commission records should be revised to reflect the updated capacity change and storage facility.
