RE: Project No. 53886 – *Application of Roughneck Storage, LLC to Amend its Power Generation Company Registration*

RECOMMENDATION

On July 27, 2022 Roughneck Storage, LLC (Roughneck Storage or the Company) filed an application for an amendment to its power generation company registration (Application) pursuant to 16 Texas Administrative Code (TAC) § 25.109. Roughneck Storage stated that an amendment is necessary to update changes in affiliates and upstream corporate parent ownership information. The Company's registration number is 20635.

After a review of Roughneck Storage's application, I have concluded that the applicant has satisfactorily completed the post-registration requirements under 16 TAC § 25.109(h) by notifying the Commission of any material change in the information provided on the registration form within 45 days of the change. Therefore, I recommend that Roughneck Storage, LLC's application for an amendment to its power generation company registration be granted. The Commission records should be revised to reflect the updated change in affiliates and upstream ownership information.
