RE: Project No. 53900 - *Application Wharton County Generation, LLC to Amend its Power Generation Company Registration*

### RECOMMENDATION

On Wharton County Generation, LLC (Wharton County or the Company) filed an application for an amendment to its power generation company registration (Application) pursuant to 16 Texas Administrative Code (TAC) § 25.109. Wharton County stated that an amendment is necessary to update changes in affiliates. The Company's registration number is 20190.

After a review of Wharton County's application, I have concluded that the applicant has satisfactorily completed the post-registration requirements under 16 TAC § 25.109(h) by notifying the Commission of any material change in the information provided on the registration form within 45 days of the change. Therefore, I recommend that Wharton County Generation, LLC's application for an amendment to its power generation company registration be granted. The Commission records should be revised to reflect the updated list of affiliates.
