RE: Project No. 53905 - *Application Braes Bayou Generating, LLC to Amend its Power Generation Company Registration*

RECOMMENDATION

On July 28, 2022 Braes Bayou Generating, LLC (Braes Bayou or the Company) filed an application for an amendment to its power generation company registration (Application) pursuant to 16 Texas Administrative Code (TAC) § 25.109. Braes Bayou stated that an amendment is necessary to update changes in affiliates and to update capacity from 273 MW to 356 MW. The Company's registration number is 20600.

After a review of Braes Bayou's application, I have concluded that the applicant has satisfactorily completed the post-registration requirements under 16 TAC § 25.109(h) by notifying the Commission of any material change in the information provided on the registration form within 45 days of the change. Therefore, I recommend that Braes Bayou Generating, LLC's application for an amendment to its power generation company registration be granted. The Commission records should be revised to reflect the updated list of affiliates and capacity.
