Austin, Texas 78701

Re: Response to Commissioner Glotfelty Memo Requesting Task Force Membership Interest, in Project 53911, Aggregated Distributed Energy Resource ERCOT Pilot Project

Dear Commissioner,

Thank you for your leadership and sponsorship of the ADER Task Force. It has been my pleasure to serve as the Vice Chair of the Task Force from its inception in July 2022 through April 2024. I look forward to continuing my contributions to this initiative as an independent subject matter expert. Please consider this my letter of membership interest in the "Technical Expertise/Institutions" segment of the ADER Task Force, which currently includes Recurve, EPRI, TEPRI, Texas A&M, and Pecan Street.

In relation to your memo request for interest statements for participation as well as renewed progress in the Task Force's activities on several topics, I am filing today under separate cover comments related to proposed updates of the ADER Task Force Charter and relatedly, work plan recommendations.

Respectfully,

A handwritten signature in dark ink, appearing to read "Arushi", with a long, sweeping horizontal line extending to the right.

Arushi Sharma Frank
