**ORDER NO. 9
AMENDING PROCEDURAL SCHEDULE**

This Order addresses Commission Staff’s January 18, 2023 request to extend all of the deadlines established in Order No. 8 by one month. On January 19, 2023, Texas Water Utilities, LP filed a response and requested that the extension be limited to two weeks in order to maintain the existing 120-day deadline established in Order No. 8.

After taking into consideration, Commission Staff’s request for extension and Texas Water Utilities’ response, the administrative law judge amends the procedural schedule established in Order No. 8 as follows:

Event	Date
Deadline for Commission Staff to request a hearing or file a recommendation on approval of the sale and the CCN amendment	February 10, 2023 ¹
Deadline for parties to file a response to Commission Staff’s recommendation on approval of the sale	February 21, 2023
Deadline for parties to file a joint motion to admit evidence and proposed order approving the sale and allowing the transaction to proceed	February 28, 2023
120-day deadline for the Commission to approval the sale or require a hearing	March 20, 2023 ²

No further extensions will be granted in this case unless good cause, under 16 Texas Administrative Code (TAC) § 22.5(b), is shown.

¹ Texas Water Utilities stated it will endeavor to file responses to discovery on January 27, 2023, which allows sufficient time for Commission Staff to review the same.

² The 120-day deadline falls on Saturday, March 18, 2023. The deadline moves to the next day the Commission is open for business, Monday, March 20, 2023, under 16 Texas Administrative Code § 22.4(a).

Signed at Austin, Texas the 20th day of January 2023.
