**ORDER NO. 7
REQUIRING CLARIFICATION**

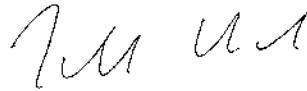

This Order addresses the need for clarification relating to the joint proposed order approving sale and transfer to proceed filed on April 28, 2023.

The administrative law judge (ALJ) requires the parties to clarify whether the requirements in 16 Texas Administrative Code (TAC) § 24.11(e)(5)(a) have been met. Specifically, under 16 TAC § 24.11(e)(5)(A), Johnson County is required “to submit loan approval documents indicating funds are available for the purchase of an existing system plus any improvements necessary.” It appears to the ALJ that the parties relied on Johnson County’s cash and cash equivalents balance to satisfy this requirement and therefore may be requesting a good cause exception under 16 TAC § 24.2(b).

The parties must file a clarification by May 30, 2023 and, if appropriate, move to admit additional evidence. The ALJ notes that if the parties seek a good cause exception, the ALJ will submit a proposed interim order for approval by the Commission.

Signed at Austin, Texas the 22nd day of May 2023.
