**ORDER NO. 14
REQUIRING CLARIFICATION AND SUPPLEMENTAL EVIDENCE**

This Order addresses an evidentiary issue that requires a response from the parties.

In the application, Stonetown Windfern Utilities, LLC identified that it entered into an agreement with Flo-Tech Utility LLC for Texas Commission on Environmental Quality licensed operators who will be responsible for operation of the public water and sewer system being transferred.

By June 20, 2023, the administrative law judge (ALJ) requires the applicants to identify where an executed agreement for a licensed operator to operate and maintain the water and sewer system being transferred can be found in the record. If there is no evidence of the agreement in the record, the ALJ requires a copy the agreement be filed and for the applicants to move to admit the same.

Signed at Austin, Texas the 12th day of June 2023.
