Re: Critical Load Application: Rio Water Supply Corp.

To whom it may concern:

Thank you for submitting your Application for Critical Load Customer Status. Based on the information provided in your application and verified by our Customer Service Account Representative, the account for electric service **DOES / DOES NOT** qualify as a Critical Load Customer account, as defined by the Public Utility Commission of Texas.

These sites have been designated as a Critical Load location as of (SEE TABLE BELOW), however, the Critical Load designation does not constitute a guarantee of an uninterrupted supply of energy.

Meter Number:	Critical load as of:
151899658	01/23/2018
152176119	12/18/2023
114900936	12/18/2023
558026676	Does not qualify – inactive account

Sincerely,
