Critical Load Status

To Whom It May Concern,

Per SB3, and PUCT Substantive Rule, §25.52 Reliability and Continuity of Service – critical loads are defined as critical water and wastewater facilities. Additionally, PUCT Substantive Rule, §25.497(c)(4), Critical Load Industrial Customers, Critical Load Public Safety Customers, Critical Care Residential Customers, and Chronic Condition Residential Customers - Designation as a Critical Load Customer, Critical Care Residential Customer, or Chronic Condition Residential Customer does not guarantee the uninterrupted supply of electricity. Below you will find a listing of Fayette Water Supply Corporation Critical Loads registered with Fayette Electric Cooperative, Inc.
