**II. BACKGROUND, REASON FOR FILING, AND REQUEST TO FIND FULL
COMPLIANCE HAS BEEN ACHIEVED AND CLOSE DOCKET**

On September 15, 2022, the Commission issued its order concluding Docket No. 48745.¹ Ordering Paragraph 4 provides that: "Entergy Texas must file monthly status reports explaining progress and any problems or delays related to compliance with exhibit 1 to the parties' agreement

¹ *Compliance Filing of Entergy Texas, Inc. Relating to Participation in Smart Meter Texas and Changes to its Advanced Metering System*, Docket No. 48745, Order (September 15, 2022).

until full compliance is achieved. The monthly status reports must be filed in *Compliance Docket for Monthly Status Reports Related to Entergy Texas's Web-Based Customer Interface As Required in Docket No. 48745 (Compliance Filing of Entergy Texas, Inc. Relating to Participation in Smart Meter Texas and Changes to Its Advanced Metering System)*, Docket No. 53958.”

On April 15, 2024, ETI filed its final compliance report and request that the ALJ determine that full compliance has been achieved and that continued reporting in this docket should be terminated and this docket closed. As of the date of this third final compliance report, there have not been any changes in the status of ETI's compliance with Ordering Paragraph 4 of Docket No. 48745, which, as explained in prior reports, has been achieved. Accordingly, ETI requests that the ALJ determine that full compliance has been achieved and that continued reporting in this docket be terminated and this docket closed for the reasons discussed in ETI's April 15, 2024 final compliance report.

Dated: June 14, 2024
