Texas Commission on Environmental Quality

NOTICE OF APPLICATION AND PRELIMINARY DECISION FOR SMALL MUNICIPAL SEPARATE STORM SEWER SYSTEM (MS4) RENEWAL

General Permit Authorization No. TXR040082

APPLICATION AND PRELIMINARY DECISION. City of Midland, 300 North Lorraine Street, Midland, Texas 79701, has applied to the Texas Commission on Environmental Quality (TCEQ) under Texas Pollutant Discharge Elimination System (TPDES) Small MS4 General Permit No. TXR040000 for a renewal of authorization number TXR040082 to discharge storm water to surface water in the state from the City of Midland MS4. The notice of intent (NOI) and stormwater management program (SWMP) were received by the TCEQ on July 22, 2019.

The MS4 is located in the area within the City of Midland limits within the Midland Urbanized Area in Midland County, Texas. The discharge from the MS4 will eventually reach Colorado River Below Lake J. B. Thomas in Segment No. 1412 of the Colorado River Basin.

A copy of the NOI, stormwater management program (SWMP), general permit, and general permit fact sheet are available for viewing and copying at the City of Midland City Hall, 300 North Lorraine Street, Midland, Texas 79701. The SWMP can also be viewed online at the City of Midland's website at www.midlandtexas.gov/818/floodplain-drainage. Substantial changes to the MS4's SWMP during the permit term will be posted on the same website.

The TCEQ Executive Director has completed the technical review of the application and SWMP. The SWMP, if approved, would establish additional terms and conditions, not included in the general permit, under which the MS4 must operate. The Executive Director has made the preliminary decision that the SWMP meets all statutory and regulatory requirements and made a preliminary decision to approve the small MS4's authorization under the TPDES Small (Phase II) MS4 General Permit No. TXR040000.

PUBLIC COMMENT/ PUBLIC MEETING. You may submit public comments or request a public meeting about this application. The purpose of a public meeting is to provide the opportunity to submit written or oral comments or to ask questions about the application. The TCEQ will hold a public meeting if the Executive Director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing. If significant interest exists, the Executive Director will direct the applicant to publish a notice of the public meeting and hold the public meeting. The applicant must publish notice of a public meeting at least 30 days prior to the meeting in a newspaper of general circulation in the county where the MS4 is located. If the MS4 is located in more than one county, the applicant must publish notice in a newspaper of general circulation in the county containing the largest residential population.

All written public comments and public meeting requests must be submitted to the Office of the Chief Clerk, MC 105, TCEQ, P.O. Box 13087, Austin, Texas 78711-3087 or electronically at <https://www.tceq.texas.gov/goto/comment> within 30 days of the date of newspaper publication of this notice.

After the deadline for submitting public comments, the Executive Director will consider all timely comments and prepare a response to all relevant material, or significant public comments. The response to comments will be mailed to everyone who submitted public comments and to those persons who are on the mailing list for this application.

MAILING LIST.
