RE: Project No. 54022 – *Application of BMP Wind LLC to Amend its Power Generation Company Registration*

RECOMMENDATION

On September 1, 2022 BMP Wind LLC (BMP Wind or the Company) filed an application for an amendment to its power generation company registration (Application) pursuant to 16 Texas Administrative Code (TAC) § 25.109. BMP Wind stated that an amendment is necessary to update changes in affiliate information. The Company's registration number is 20624.

After a review of BMP Wind's application, I have concluded that the applicant has satisfactorily completed the post-registration requirements under 16 TAC § 25.109(h) by notifying the Commission of any material change in the information provided on the registration form within 45 days of the change. Therefore, I recommend that BMP Wind LLC's application for an amendment to its power generation company registration be granted. The Commission records should be revised to reflect the updated change in affiliate information.
