## *Public Utility Commission of Texas*

---

February 13, 2024

The Honorable Mayes Middleton  
P.O. Box 12068, Capitol Station  
Austin, TX 78711

Dear Senator Middleton:

Thank you for reaching out to the Public Utility Commission of Texas (PUCT). We received your letter dated February 12, 2024, requesting more clarity and data regarding ERCOT's operations during the winter storm from January 14 to January 17, 2024, and for information about the prioritization of the annual costs incurred by load serving entities associated with backing up dispatchable and non-dispatchable electric generation facilities (HB 1500, Section 23, 88th Regular Session).

My staff is working with ERCOT to collect the data and information you are requesting, and we will provide it to you as quickly as possible. We share your commitment to transparency and access to information about costs, for all Texans.

Thank you for your interest in this important matter and for all you do for Texas. Your letter has been shared with each of the Commissioners and filed in Projects # 54037 and #55999 to ensure it is part of the public record.

Thank you,

A handwritten signature in black ink that reads "Connie Corona".

Connie Corona  
Interim Executive Director
