The Honorable Donna Howard
P.O. Box 2910
Austin, TX 78701

Dear Representative Howard:

Thank you for reaching out to the Public Utility Commission of Texas (PUCT). We received your letter on June 4, 2024, regarding the implementation of Circuit Health Monitoring (CHM) technology to aid in mitigating wildfires and improving electricity reliability.

Thank you for pointing to this Texas-developed fire prevention tool. Commission Staff and Commissioner Glotfelty's office have held a meeting with Dr. Don Russell.

We appreciate your interest and concern about this important matter. Your letter has been shared with each of the Commissioners and filed in Project No. 54037 to ensure it is part of the public record.

Thank you,

A handwritten signature in black ink that reads "Connie Corona".
