**ORDER NO. 15
CONTINUING ABATEMENT**

This Order addresses Quadvest, LP and Commission Staff's joint status report filed on January 16, 2024.

The parties requested the abatement be continued to afford the Texas Commission on Environmental Quality (TCEQ) sufficient time to issue the final Texas Pollutant Discharge and Elimination System (TPDES) permit for this application.

The administrative law judge continues the abatement in this proceeding. Beginning February 15, 2024 and continuing monthly thereafter, Commission Staff and Quadvest must file a status report, or a request to lift the abatement along with the appropriate documentation from TCEQ regarding the TPDES permit along with a procedural schedule for further processing.

Signed at Austin, Texas the 17th day of January 2024.
