**ORDER NO. 3  
GRANTING EXTENSIONS**

This Order addresses Commission Staff's November 4, 2022 request for an extension of time to file a its final recommendation or request a hearing in this application and SP Utility Company, Inc.'s November 2, 2022 request for additional time to file the documents requested by Commission Staff to support temporary rates. SP Utility requested a November 7, 2022 deadline. Commission Staff stated that because of SP Utility's requested extension, it was unable to make a recommendation on final disposition at this time and requested a November 15, 2022 deadline for its final recommendation.

The administrative law judge grants the extensions. SP Utility's deadline to file the additional documentation requested by Commissions Staff was November 7, 2022. By November 15, 2022, Commission Staff must request a hearing or file a final recommendation, along with a procedural schedule for continuing processing.
