**ORDER NO. 9
FINDING APPLICATION DEFICIENT,
ESTABLISHING DEADLINES AND OPPORTUNITY TO CURE**

This Order addresses the sufficiency of the application of Rolling V Ranch Water Control and Improvement District No. 3 of Wise County to obtain a water certificate of convenience and necessity and for dual certification with the City of Rhome in Wise County. Rolling V Ranch WCID No. 3 filed supplemental information on October 21, November 4 and 21, 2022, and February 16 and March 3, 2023. On April 25, 2023, Commission Staff filed an amended supplemental recommendation on administrative completeness.

The administrative law judge (ALJ) finds the application administratively incomplete and deficient. Under 16 Texas Administrative Code § 24.8(d), the Commission does not consider an application filed until it makes a determination that the application is administratively complete. Thus, at this time the application is not considered filed with the Commission.

By May 10, 2023, the applicant must supplement the application to cure the deficiencies described in the memorandum of Jolie Mathis attached to Commission Staff's April 25, 2023 recommendation. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicant must not issue notice until the application is deemed administratively complete.

By June 9, 2023, Commission Staff must file supplemental recommendations regarding the administrative completeness of the application and the sufficiency of notice, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the 27th day of April 2023
