REQUEST FOR DOCKETING

On July 10, 2024, by a memorandum to Shelah Cisneros, Commission Counsel, the Administrative Law Judge (“ALJ”) in the above-referenced matter responded to exceptions and stated that the Proposed Order remains ready for the Commission’s consideration.

On June 13, 2023, Rolling V Ranch Water Control and Improvement District No. 3 of Wise County (“District”) executed a Dual Certification Agreement with the City of Rhome, by which the City of Rhome expressly consented to the dual certification requested in this docket.¹ On October 19, 2023, the ALJ issued Order No. 13 finding that noticed mailed by the District to neighboring landowners, neighboring utilities, and affected parties, along with the publication of the same notice, to be sufficient. Order No. 13 established a deadline to intervene of November 6, 2023. No additional parties sought to intervene. This docket, therefore, is an uncontested matter.

For these reasons, the District respectfully requests that this docket be set for final consideration and approval by the Commission on the earliest available open meeting agenda.

¹ Letter from Scott Eidman re: Dual Certification Agreement and Existing Customer Connections at 3 (Jul. 10, 2023).

Respectfully submitted,
