SUBJECT: Proposed Rate Hike Docket No. 54171

2023 MAY 12 AM 10:41

Dear Sirs:

PUBLIC UTILITY COMMISSION  
FILING CLERK

I am protesting the proposed rate hike proposed by Texas Water Utilities L.P. for the Canyons, and am requesting intervention and a public hearing. In my case, the proposed hike is over 30%. As a senior on a fixed income, such a large rate hike is unreasonable.

Thank you very much.
