

## Filing Receipt

**Received - 2022-12-14 04:23:14 PM**

**Control Number - 54181**

**ItemNumber - 8**

December 14, 2022

**(Via PUC Interchange System Filer)**

Public Utility Commission of Texas  
Attention: Filing Clerk  
1701 N. Congress Avenue  
P.O. Box 13326  
Austin, Texas 78711-3326

Subject: Application of Wylie Northeast Special Utility District to Amend its Certificate of Convenience and Necessity in Collin County  
PWS ID: 0430051; CCN: 21056  
Docket No 54181

To Whom It May Concern:

On December 14, 2022, at 9:00am a Teams meeting was conducted by PUC Staff Dave Babicki, requesting additional changes to the CCN Amendment Application – Part G: Notice Information, Item 33. This item was submitted in filing #7 on December 13, 2022. Our responses are:

- *Please issue a statement that Part G: Notice Information in the application is to be disregarded. Area 1 and area 2 are to be described separately. Additionally, the shape file area 2 acreage is 73 acres.*  
Part G: Notice Information Item 33 in the application, dated 04 October 2022, is to be replaced with the following:

**Requested Area 1**

The total acreage of the requested area is approximately:	2.9
Number of customer connections in the requested area:	0
The closest city or town:	St Paul
Approximate mileage to closest city or town center:	1.3
Direction to closest city or town:	Southeast
The requested area is generally bounded on the <u>North</u> by:	Aztec Trail
	on the <u>East</u> by: Pecan Drive
	on the <u>South</u> by: Parker Loop
	on the <u>West</u> by: Southview Drive

## Requested Area 2

The total acreage of the requested area is approximately:	73
Number of customer connections in the requested area:	0
The closest city or town:	St Paul
Approximate mileage to closest city or town center:	1.6
Direction to closest city or town:	South-Southeast
The requested area is generally bounded on the <u>North</u> by:	Barranca Trail
on the <u>East</u> by:	Huffines Boulevard
on the <u>South</u> by:	Osage Lane
on the <u>West</u> by:	Southview Drive

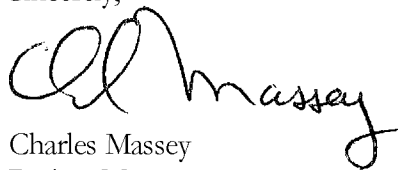

- The total acreage for all requested areas is approximately 75.9 acres.

Additionally, it was discovered after filing No. 7 there were other references to Seis Lagos Utility District decertification in other parts of the CCN Amendment Application that need clarification.

- First clarification: **Part B: Requested Area Information, item 6, page 4.** The sentence “The NORTHERN area is to be decertificated from Seis Lagos Utility District, (ref PUC Docket 53085) with zero sewer customers.” should be replaced with “The NORTHERN area is currently an uncertificated sewer service area with zero sewer customers.”.
- Second clarification: **Part B: Requested Area Information, item 7, page 4.** The checked box “Overlaps or is within district boundaries” should not be checked; the words “Seis Lagos Utility District” should be struck from the District field; the phrase “Northern area - ref PUC Docket 53085” should be replaced with “Northern area - n/a - uncertificated sewer area.”.

Thank you for considering this clarification. If you need any additional information, please contact me at 972-782-4735.

Sincerely,

Charles Massey  
Project Manager
