ORDER NO. 5
DENYING COMMISSION STAFF'S REQUEST FOR AN EXTENSION BECAUSE IT IS NOW MOOT, AND ADOPTING NEW PROCEDURAL SCHEDULE

In Order No. 4 filed on June 6, 2023, the administrative law judge (ALJ) ordered: (1) the petitioners to, by June 20, 2023, address discrepancies between the petition in this matter and the underlying service-area agreement; and (2) Commission Staff to file responsive briefing by July 5, 2023. On June 12, 2023, the petitioners filed an amended petition which appears to cure the prior discrepancies. On June 30, 2023, Commission Staff requested an extension of its July 5, 2023 briefing deadline.
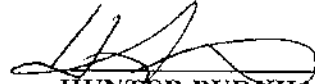

In light of the fact that the amended petition appears to cure the problems identified in Order No. 4, it is no longer necessary for Commission Staff to file the briefing required in Order No. 4. Therefore, Commission Staff's June 30, 2023 motion is now moot.

In light of the amended petition, the ALJ adopts the following procedural schedule:

Event	Date
Deadline for Commission Staff to provide revised final maps, certificates, and tariffs (if applicable) to the petitioners for review and consent	July 19, 2023
Deadline for the petitioners to file signed, revised consent forms with the Commission	August 2, 2023
Deadline for Commission Staff to file a revised final recommendation on the petition	August 9, 2023
Deadline for parties to file revised joint proposed findings of fact, conclusions of law, and ordering paragraphs	August 16, 2023

Signed at Austin, Texas on the 5th day of July 2023.

PUBLIC UTILITY COMMISSION OF TEXAS

HUNTER BURKHALTER
