**CSWR-TEXAS UTILITY OPERATING COMPANY, LLC'S
SECOND SUPPLEMENT TO APPLICATION**

COMES NOW CSWR-Texas Utility Operating Company, LLC ("CSWR-Texas" or "Company") and files this Second Supplement to the Application.

In its Application, CSWR-Texas seeks to acquire approximately 15 customers currently served by Intermediary Solutions Holding LLC (the "Seller"). However, those customers are outside the certificate of convenience and necessity ("CCN") area held by the Seller. CSWR-Texas' Application adds these customers to the requested CCN area.

In response to questions from Staff and at Staff's request, CSWR-Texas files this supplement to the Application to clarify that the addition of the areas including the approximately 15 customers does not increase the estimated costs for repairs to the system as outlined in Confidential Attachment J. The improvement costs represented in Confidential Attachment J include the existing CCN area and the new area with the approximately 15 customers.

Respectfully submitted,
