**ORDER NO. 11  
REGARDING CLARIFICATION AND REVISING DEADLINE**

This Order addresses CSWR-Texas Utility Operating Company, LLC's September 29, 2023 request for clarification of the information responsive to Interim Chair Jackson's memorandum, and request for additional time to file a proposed procedural schedule.

The administrative law judge (ALJ) clarifies that CSWR-Texas must provide an estimated timeline for construction of all facilities necessary to provide full service to the requested area keyed to a map showing where such facilities will be located to provide service. CSWR-Texas must also provide a map keyed to the budget.

Additionally, the ALJ requests that CSWR-Texas provide all elements of the capital improvements plan in one filing for ease of review.

On or before October 12, 2023, applicants and Commission Staff must file a proposed procedural schedule for CSWR-Texas's filing of a capital improvements plan with the clarification described above and for Commission Staff's recommendation on the plan.
