**ORDER NO. 12**  
**GRANTING EXTENSION AND REVISING DEADLINE**

This Order addresses CSWR-Texas Utility Operating Company, LLC's October 11, 2023 motion to extend the time for the parties to file a proposed procedural schedule for the filing of a capital improvements plan that complies with TWC § 13.244(d)(3) and 16 TAC § 24.344(a)(6) and for Commission Staff's recommendation on the plan. CSWR-Texas states that additional time is needed to determine how long it will take to develop the capital improvements plan in this and in all other affected dockets. CSWR-Texas represents that Commission Staff is not opposed to the extension.

The administrative law judge grants CSWR-Texas's motion for extension.

By November 1, 2023, applicants and Commission Staff must file a proposed schedule for the filing of a capital improvements plan that complies with TWC § 13.244(d)(3) and 16 TAC § 24.344(a)(6) and for Commission Staff's recommendation on the plan.
